Umjetko zaključke na kruju se predleže dodatno ohieranje anaštičkih presupa javnim umjetničkim priklasma jer grad je prozvod beskonačnih i bizvremenskih promjena razika i različnogo videna traknos štuva. With almost in hundred year long tracition of extents alsoping out into public space. Cut side of the coefficies of gathery if shoots varies on one aid and with the material explanation of Public Art is detentioned extent designing on the citizen. Art is detentioned extends designing on the Urban Platheal or Ziggabb attempts aid once more mathening some of the king ougstoner middent for stration.

one of public space - to go beyond the balls definoter recovering a fundamental reconstitution. The public is not physical space in or the eventlocation the public is primarily a public space. To use Ofer Machant is defined in "the public corries vito resignace only - and always area." In the immers of control and objects Wheel shall be moment of control and objects Wheel shall is conflict, or more preceivy arrangement, there is the public where it distinctions are obtained.

Communication with the publics distinsify the system of the Store in the mode? A comment size mode, accessed oil an in public species as the five depression of the store of the size of the five depression of the store oil of the size of public species control, or the size of the size of public species control, or the size of the size

Installed of a condusion of the end, we suggest a further opening up of analytical approaches to public shallo pactices because the only is in fact

The Gob Squad

Interviewed by exUrban Festival crew

The Gob Squad is a group of English and German artists who have been volving cellectively with performance, who have been volving cellectively with performance, media and now technology since 1994. The group believe that pleasure and entertrainment should go together with conceptual rigor and an uncompromising approase, to be after an and present its event of date of the section of the section of the section and present its event of date for the section of the section and present its own of the section of the s

The work is characterized by a collage and collision of a diazying range of cultural sources. In the Gob Squad world real life is seen in the widescreen format of the latest Hollywood blockbler, and the shirty, artificial surfaces of the digital world convey the powerful emotions of longing and desire. The Gob Squad's work looks at the construction of contemporary identity and the need for fantasy and spectacle in making ones of everyby the

They have performed the Room Service - Help Me Make II Through The Might show as a part of the extirban Festival (Zagreb, May 2004). We have talked with Johanna Freiburg, Bern Stumpl, Sean Pattern, Bastian Trost and Simon Will about their experiences of working as group, their relation to the audience and their ways of dealing with Jand playing with particular issues of contemporary everyday reality. exUF. Vesno: You define yourself as a pop group or a band, not as a collective or a collabora-

GS_Brace: We always tend to make very ensemble peops where there's never really a lead. there's never a hero or a herone or the protagoner. The work is often about is us trying to full thisten roles. So, the Poom Service is very much an example of this if a slow to they people coming forward new.

supprincipation, is a piece where we have to have a new war gottle but and have to a new to be a new to love. But of a course, because if a Gottle but and state if a Gottle but and the state is a first second with the second with the second where the group is the protagonal.

angle genus, mostly a ment, who has a team. We don't believe in that We find it more interesting to work as a team.

GB, Bashawi it is like sharing the genius. When you work with someone and you say she'ha is really a genus, and when she'he is directing, you say to yourself I must fulfill this fantary. We think that The

esUF, Emins: Although the group is the protegorest, different presonalises and characters are very much present. It seems that there is always something of your private selves. New using the present asserts for example, and something of your pubble selves. Where is the difference? Do you wont to form make, afformed between your subble and private selves in the person? Do you wont for to make, afformed between your subble and private selves in the per-

GB, Seast I their is a reportant for us that we don't see contribute an action. I then is we would find a weighted to give a certain with the learner that countained life all the standards and profession of the standard countribute and the standard countribute and the standard countribute and through of countribute the standard countribute and the standard countribute and through of countribute the standard countribute and the standard countribute and come name that the standard profession as developed to see that the standard to come place to an extension of the standard countribute and the standard countribute and the standard countribute and the standard countribute and countribute and the standard countribute and the standard countribute and countribute and the standard countribute and the standard countribute and countribute an

widthing it.

GB, Benth The work that we've doing is very much task-based. SuperMightShot, is very much about the task of a hero, but if a nicera about the hand of being it as to be a hero, in a very individual way. An horr, the tasks in heming a party. These tasks are very roughly gradual, that lasted you through it. but, then if all all both the we've've do in Sean vess on an observed war for the tasks of the history.

Sharing genius

More extreme

Theatre of exUF Vesns: The perboular relationship to reality is very pronounced in your work. There is no found objects weble border between reality and what is being manipulated. It could be called a theater of the G8. Sembler Yes. We really are dealing with what in the art field is called found objects. We find a

GS. Johanna: Folion: We take things just like Hollywood Rms or pop music takes things, they al-

GS Seas. Someone chos told me a story that happened in the 17th century Apparently when in the 17th century lords and ladies would go out for a walk in the country, they had a servint who talked us both extremes are kind of boring. Just reality, reality of sitting in your house and making yourself is

borship to the audience. How do you manipulate the audience? What kind of impact does the manipulation audience have on the performance? exiliF. Venna: Some people thought that acenes in which the audience participates were resilven. morpuse or interact, if it always manuscripted.

performers

Constructing an image and turning it about GS Bastlan; I think it's more about using the audience to create the feeling that it is for real. When

aportaneous, that it was about improvisation, but they were in fact directed. It events that you are pointing out the fact that every show is a manipulation. Even when it evens that you can

QS. Best: Some scenes are not merely directed, but obviously manipulated. like the scene with the where the audience is asked to step in, either to play a part and to really just fulfill a very clear fairfalay

UF. Emina: And what would happen if the situation got out of your control?

GS. Searc Vie are working what the audience who want us. Sometimes we call them found performing

these threes happen in a lend of made way, so that the audience doesn't know how if happens. I

exUF. Emma; it seems that on the one side there is reality, the real life, and on the other side media, video, you turn the reality into something else, something in-between... exUF_Vesna; It's like when the hunter in the Stone Age drew the picture of a killed animal, be-

cause he believed it's an impre of the future... In that case there is no distriction between majby and imagination...

exUF. Vesne; That's in a way what Johanna said that there are empty spaces where everybody can excribe something, like cliches, when everybody has pretty much the same expenence.

extUF Emms: It's personal, emotional, aust your own connection to that sorks; but at the same time, it's completely artificial, brought through the media. What some out is that the people have mostly the same emotions about the same songs, it's interesting when thet emotional resists. which is usually considered as personal and ursous, is being manipulated by the mass media.

GS. Johanny. That's hipical of our generation. We know it's cheesy and we know it's manipulated, GS Bastage: It's furny when we say we live our real life, with all these cameras around. And then you

exUF. Emira; If we take a look at the Room Service or What Are You Looking At, it seems that you always have a really clear structure, very clear boundary between yourself and the audience. what is your mistion to the audience when you are standing blindfolded in front of them. GS. Senore in both of these plays, we realized that that somen lor that interface, between the suctionos

front of the screen, in another way, it's often a condition where we set up a guite artificial situation in GS Johanna: It's a very protected and safe environment in a way GS_Johenna: I'm spending hours sione in the room. I never felt lonely, because I have my mirror.

exUF_Errans. Lots of things in your play are children; and in this way you drive the audience in

GS. Swan; Definitely I often feel tike a child when I in in it. When you are a child, you can just play all by yourself, you can amuse yourself for hours, playing one and the same record. With a few objects

GS. Simps: The child in the play is absolutely genuine and absolutely sincers, but, at the same time,

GS Barit: But of course, we are not children and we know that there is someone out there. Again and again we are repeating. I'm actually doing it for you. The situation is very clear. I wouldn't just sit in my

God it's so real!

It's like being in the chat-room on the Internet

I'm actually doing it for you

Do you have to be serious to be political? QS_Abhannar Antaelly people savely give such comments about our work and it therit in bedaute we are only enterlaining. There and therefore is not assen as policial. Expossibly in Cleanings - yello on the effect policial or enterlaining from "No have to be served to be policial. Locating and in reality or taking air not the coal work manage but is policial definitely.
QS_Beannary Cours approach to all and how we possed roundway, out also how we present our air, more

open to people and saying. Yes this is a piece of air, out you can fourth it, you can shalf it, you can drink along to it, you can walk out of it informer you like. There is no convention, you don't have to get down on your knots and worship it.

GS_Johanna: You have to take responsibility as a viewer. You define your role as a viewer as well by

We have exUE_Errière: The political dimension is obviously present wh sporalisatify of the exclerion. But, it also appears or the them.

exit, privilet. The political dimension is conceally present when we are latering about the responsibility of the exclerion. But, it also appears on the thematic level, because you are talking about the simulation of the capitalistic socially and you show something behind it. It says: What you see is what you get. But you point that is not like that.

GS_Searc There are some Richy Martin songs we are using it's sinying to the industry of mass cub-ties. Now've solern these emotions from us and you've selling it back to up. Wall they were out there in the first place, so we can use your song again reclaiming those emotions.
GS_Senort We are presented as victims and as subjects. We all are the votins of reaso quiture, which

timin me people are very creative, and a contributed in the faunts beings are so congramed by the naise people make missiakes even when they set some set of rules and interpret from they set make missiake. We are not as plations as if a other suggestable, we have the power to interpret. QS, Benth And we really hade to stay in that very, very shelded sirt, in that nony tower. We really like to

reach out and bring and lo people in the shopping centers and then the passers by become the man auchinic of the show and we often find that they are our best audience. It's the lend of audience this is not used to veiling art and then other the most smalling things happen.

GS_Jehanna: The popular culture, the Ricky Martin songs for example, they are common ground, something that people share. We could go anywhere in the world and we can have a stating point of getter and that's an amazing thing, it is sometime demonstration as well it don't see Ricky Martin and access, I don't won't to inside differences between high att and popular and it don't want to bed any-

| could be a |icon myself

interpret

GS, Benti, We want to create an environment where the outdence on't passive, like a mass, a passive consuments mass. Expecially when we are using the set up you are used to from the believeshi, they have to state to it on a very dividually selly. But when the probre maps, people are loading it is easily offer asking, people are loading it is easily offer asking without program take the risk? And of course you are loading at each other in cetter to find out more to deally with the students with the student or you do not of your date to coster, made openion, won they do still out the students with the students or you do coster, made openion, won they do still out to the out.

ex.F_Venez: And the other people v_i the euclience also see this particular person and less/has steps/reactions...

QS_Johanna. We hope to income people, that is why we like to deal with the audience as well or wit the passers by at the streets, to empower people to think. I could be an icon myself And it has a lo to do with our 'do it yourself' aesthetic. We use all these materials, we use the technology that is

GS_Searc You can be Ricky Martin as well. Or you are Ricky Martin as well. Or you are better than

Short Circuit Between Impulse

And Action

/ooster Group

Interview by Ivan Taliančić

cember 2003

ining a reconst reheasal in Wildester Grouphs mis appace in Merhattain's Sork in reighborhood, ings are looking unusually sparse in contrast to breaten's works, such as recently produced Judici Userit's and TO YOU. THE REIDIE nich shrifed the audiences worldwide with

infled the audiences worklande with liquend displays of technological wealthy time-speed benurs of the Group's enthe stage is almost bere bave for seversceners, that the company staying puts in unspected ways), the houselights are the prominers are diessed in their redothers.

sibeth (Lui) LaComple, the company's director less the amount emplanes of the five who about to see still in directopment, men in two accions, stilled Poor Treate, part 7 Foor Treates, part 2, and is made from a ge of source material that includes story closels and the Polish Laboratory Theeter, lam Forsythe and Ballett Frankfurt, and archees of the Old William.

The way you work in rehearal, with all the technicare and technical elements in the soace from the beginning - how does that allow you to integrate all the elements of performance in an organic way? I'd like to know how this approach came about, how was it developed in the first place and what are the smoothers and unneer that operated vious in

consequent has the first place and what are his management and year that property place to the management and year that property place to the management and the place of t U.E. The page in red of of the last. The the through less all control that open records in the control to the control to the control of the bill relegate to the case of many service that and height all the man of through service that with process who approach it and why fixed proposition are intellectual and at the begrang of height fire and many better in the control of the control of

In history to them, and it seems that it is in usual for you, where you come into the ayou are looking to the why to anounting out in the priors, which will be anounting you as a clinicity with the performer, and the way to the prior with the performer, and the man entity you. A performer and the performance within a distribution and other and the condept is times, you do have the performance of the specific which are the entitled and the specific which as the entitled and the specific which are the entitled and the specific which are the specific and the specific which are the specific and the specific which are the specific and the specific and and the specific and are the specific and and the specific and are the specific and are the specific and are the specific and and are the specific and are the specific and are the specific and and are the specific and

TECHNOLOGY OVER TIME

The Group him bees considered a mevenck in terms of bring impossible to the field of the performing airs - hew do you think the work has changed over time, and how has your relationship to the technology evolved?

KATE: Well, when I first stanted working with the

has debugged over these, and how has provided by the CPUT and a series of LECTURE of the cells of LECTURE of LECT

also del clas services per la compania del considera del c

LQ2 Very empty, originally we used it as an adpried to the work, a land of decorative element of information and then it dowly enclosed in a way that we infernished it, and we are trying to use that sectionships to sinction this synapse between impulse and action, so if it not be much a decotation for the audience as it is a strivius for us to find new work or interferency land heart on the

SOURCE MATERIAL

You are known for a very original way in wheth you are using source materials which for an oursider right seem to come from the most unlikely sources. Can you talk about how you go about choosing them, what inspires you, and how the way you use them in rehearsal interacts and contributes to the process of making a performance?

LEQ that the least was load of a trodge-coding of seasily software part correct up in the moment. In these what of a sea thereog about something, even trough in might and have accounted a least quasarine that any fact for the sea coulted of least quasarine that any fact for the part of level up with a least and part of least a least and part of least a least

This is just one way of working. I'm not saying it is the only way it is just the way it is wolved, probably because I started an a partier and as an assisted partier. If not a partier is not an account of line is not in a very into-ties way in a studio, so I led like now this studio is just three-dimensional and multi-personality and multidisciplinary. But it's the same process KATEF I'm interest for more reason, but a facilities.

the stuff we grew up on, everything about timing in the theatre, on stage, was harvalated to film, that's where you see the great tradition of entetainment and theatre and art. There's something about that choice that

There's something about that choice that leets very honest, and not contrived because it's so much a pert and percel of outure that's surrounding us...

KATE fee, most of the peosis have theathcall taid. "There has always been a play, or up in the peod-even though it's dominated by a documentary inevactment being and shockure. This is still that section of Acropoles, and in PSSV STORY; then is only the last 8 pages of Three Service but still these was at theathcall loot story where meen though it was changed as or all where meen though it was changed as or all where meen though it was changed as or all the service and the service of the service and the service of service of the service of service of the service of service se SUBJECT MATTER

How do you go about choosing the subject cally in ferms of the current work, what prompted you to tackle these two masters, if I

KATE: Of all this pieces we've done, I think I can

UZ: It might be our age. It might have to do

KATE: I think we were in the head-space of faof translation, instead of becoming a conduct tening to a lot of commentanes and e lot of peo-

work looked very sparse and very pared down UZ: All of it - that is the esthetic, it's poor I mean. KATE. So it's almost the the absence of levers,

"poor theatre" is a reflection of the ourrent

KATE-1 oueston how much I maly know about it

In Point, the word immediately has connotations of powerty. For Grotowski, I tend to think

tion of poverty, he wore it on his aleeve.

LOST IN TRANSLATION

A fancinating element in the new piece ad-Teacher and the apprentice, and suggests the idea that there's often a very thin line that one welks on in the process of transmission of the artist and, conversely, it can be so easy at

for the teaching. KATE I think you are watching us find our with
